## **Solar Energy Use in Outdoor Swimming Pools SOLPOOL**

**List of outdoor swimming pools awarded with the SOLPOOL info  
panel in LECCE**

Within the data collection Lecce identified outdoor swimming pools in the Province and inserted in the SOLPOOL's database. At the beginning of the outdoor pool season Lecce looking for pools that should be awarded with the SOLPOOL info panel. So owners and operators that were known from workshops were asked first.

We have contacted those owner/operator interested to install a solar thermal system in the near future. A side effect of the phoning activity has been to inform pool owners with or without solar thermal system about SOLPOOL.

The swimming pools that have been awarded with the SOLPOOL information panel really support the solar pool heating idea, as well as the SOLPOOL project and assure us to display the panel all the season.
